

Dream of a brother from London

Assalamu Alaykum WaRahmatullah Wabarakutuh Mufti Yusuf

I saw Hadhrat Shaykh Yunus Saheb RA in a dream during the morning of Thursday 27th July 2017. I recall a feeling of Hadhrat Shaykh Yunus Saheb RA visiting my house but I could not recognise the house from inside. The room was setup like a madrassa classroom and Hadhrat Shaykh RA was of a fair complexion, looking young, healthy and very handsome. I did not see any of the physical difficulties Hadhrat Shaykh RA faced in moving in recent years.

Hadhrat Shaykh RA asked me to read from an Arabic text that was already there. I could not recognise the text or the words but recall a page title of 2 words in Arabic. I made a mistake on the 2nd word in the title to which Hadhrat Shaykh RA instructed me to stop.

I left the room and was explaining to my family members who Hadhrat Shaykh RA is and how honoured we were to have Hadhrat Shaykh RA visit us.

Shortly after I went back into the room and Hadhrat Shaykh RA asked me to recite a verse from the Glorious Quran. I made a mistake and became very distressed trying very hard to correct myself but could not. Hadhrat Shaykh RA instructed me to stop and said: 'You never came to us to visit.'

I began crying uncontrollably and Hadhrat Shaykh RA saw I was upset so began to talk with a young boy of 7 or 8 years of age who was next to me but I did not recognise him. Hadhrat Shaykh RA joked with the boy and smiled at me to comfort me.
