

Memories of Mawlana Ataoullah Ingar, Reunion

During my visit with family to Saharanpur in January 2016, Sheikh Yunus RA told me after having asked my son Mounib Ahmad (7 years) how many chapters of the Qur'an he had completed:

- Do not beat him.
- Do not scold him.
- Reform him by your simple look.

And Sheikh RA made me reiterate my answer having seen that my 'yes' did not satisfy him.
