

Memories of Mawlana Suhail Akubat, Blackburn

I visited Shaykh Yunus Saheb (Rahimahullah) in 2012 whilst in Jamat. One outstanding feature I noticed was that whenever a person would ask if he would like to send a message to whatever place the person came from, Hazrat Shaykh would say, “Ask Fulan to forgive me if I have hurt his feelings and ask him to make du’a for me.” He said this to 3-4 people from different places within a 20-30 minute period.
