## P R E F A C E

All praise belongs to Almighty Allah, who alone is worthy of worship, and whom alone we praise for giving us the Prophet ﷺ and Al-Madīnah Al-Munawwarah. The story of this compilation occurred shortly before travelling to Al-Madīnah Al-Munawwarah.

It is unusual for a city to be so deeply connected to one person. Few cities in the world, if any, are as profoundly focused on a single figure as Al-Madīnah Al-Munawwarah. The city's streets, the population, the landmarks, the landscapes, the sounds, the mountains, the trees, and all other aspects consistently revolve around and call to mind the cherished being who illuminated this city with their presence. It all orbits and syncs so completely around one personality, our beloved and noble Master ﷺ.

Among the numerous manifestations of Allah's love of the Prophet ﷺ, one such example is the Almighty dedicating an entire city to His beloved that echoes his name, life, and beauty constantly. The blessed city of Madīnah soothes the soul, cools the heart, mesmerises the eyes, enlightens the intellect, energises the body, warms the emotions, recalibrates oneself and purifies one's being. It is a place like no other. In the annals of history, no other personality has been continuously visited and yearned for.

### INSPIRATION TO COMPILE:

It was in the blessed city of Makkah, shortly before my travel to Al-Madīnah Al-Munawwarah, that I was lost in thought; *how do I do something which will please the Prophet ﷺ? What can I do? How do I present my sinful self in Al-Madīnah Al-Munawwarah?*

Whilst in the Masjid, gazing at the beautiful Ka'bah, my heart was lit with an inspiration and an idea. Truly, good inspirations come solely from Almighty Allah. The idea was to compile a book filled with Ṣalawāt, which uniquely blends with it the noble Shamā'il (sublime qualities) of the Prophet ﷺ.

It is a practice of several ‘*Ulamā*’ of this *Ummah* to write books in *Al-Masjid Al-Nabawī*, typically in the *Rawḍah*, near the blessed resting station of our beloved Master ﷺ.

It is narrated by Mullā ‘Alī Al-Qārī ﷺ that Imām Bukhārī ﷺ worked on his magnum opus in the *Rawḍah*; ‘*Allāmah* Al-‘Irāqī ﷺ composed part of his famous poetry on the *Sīrah* in the *Rawḍah*; Al-Jazā’irī ﷺ penned some of his *Tafsīr* in the *Rawḍah*.

I too wished I could follow the footsteps of such ‘*Ulamā*’, and that Allah *Ta’ālā* grants this small endeavour acceptance.

### IN AL-MADĪNAH AL-MUNAWWARAH:

Arriving at the most incredible location on Earth, Al-Madīnah al-Munawwarah, I sat in the sacred confines of *Al-Masjid Al-Nabawī*, in close proximity to the Prophet ﷺ, whilst in the state of *Wuḍū’*, with my heart and soul immersed in the beauty and brilliance of the Prophet ﷺ, completely absorbed by the exquisite beauty and radiance of the Prophet ﷺ.

Only through Allah's grace and decree could my pen begin to move, and my thoughts pour into the composition. It is not possible to do this otherwise. It was truly an engagement and experience that was unique, extraordinary, and one-of-a-kind.

### SHAMĀ'IL:

As I began writing, I found myself immersed in a realm of contemplation, a world of beauty that I longed to dwell in eternally. I was left speechless by the striking beauty of the Prophet ﷺ. I was utterly captivated by his outstanding eyes, his curly silky hair that cascaded onto his blessed shoulders, his radiant complexion with the rosy-red undertone and hue that shone, his heart-warming smile, and the gentle coolness of his hands.

The world of the *Shamā'il* is one that redefines beauty, transforms your understanding of life, and makes you taste true love. It was there, in the duration of three days, that these *Ṣalawāt* were composed, only by Allah's will, permission, and grace. I beseech Allah *Ta'ālā* to accept it.

*Shamā'il* includes everything about the Prophet ﷺ from a descriptive lens, his physical appearance, his

character, his noble habits, his likes, his dislikes, his daily activities, his personality, his diet, his personal prayers and more. *Shamā'il* is a 360-degree description of the Prophet ﷺ.

In this compilation, for the most part, I have quoted the exact words narrated in the blessed *aḥādīth* on *Shamā'il*. There are instances where I have added words myself to maintain the rhyme and rhythm.

**NOTE:** In terms of the translation, they are not verbatim translations; I have offered a more descriptive and contextual translation to do justice to the meanings in English.

It is genuinely Allah's mercy and kindness towards my flawed being that allowed me to experience and complete this. I am utterly undeserving and unworthy; we are just so fortunate and so grateful that we have a Lord who is the embodiment of Mercy and Love, and that He chose Mercy as His approach in dealing with us. All praise, glory and adoration belong to Him perpetually, continuously, and eternally. What and where would we have been without His Grace, Mercy, and Love?

## ṢALAWĀT:

Ṣalawāt and Shamā'il are two powerhouses to make the heart aflame with the desire and love for the Prophet ﷺ. For those who wish and yearn to just have one glimpse of the Prophet ﷺ in their dreams, the formula for this is abundance of Ṣalawāt, deep contemplation of Shamā'il, and practice of the inwardly and outwardly Sunnah. Practicing these three elements will accelerate one closer to Almighty Allah and the Prophet ﷺ.

Entire books have been written on the virtues of reciting Ṣalawāt, with hundreds of benefits mentioned of such a simple and enjoyable practice. There are innumerable virtues, blessings and benefits for this life and the Hereafter in Ṣalawāt. Some virtues include:

- ❖ *“The closest of people to me on the Day of Resurrection will be those who sent the most blessings upon me.”*  
[Tirmidhi]
- ❖ When the companion 'Ubayy Ibn Ka'b ﷺ asked the Prophet ﷺ what would happen if he dedicated all of his supplication time towards Ṣalawāt, the Prophet ﷺ replied, *“In that case, all your needs will*

be satisfied, and your sins will be forgiven.” [Musnad Aḥmad]

- ❖ In another narration, the Prophet ﷺ said: “Whoever sends blessings upon me, Allah will send blessings upon him tenfold”. [Ṣaḥīḥ Muslim]

Reciting Ṣalawāt is actually a deep and spiritual conversation and dialogue with the Prophet through the proxy of the angels designated to convey Ṣalawāt and Salam to the Prophet ﷺ.

‘Abdullah ibn Mas‘ūd ؓ said: The Messenger of Allah ﷺ said: “Allah has designated angels which travel around the earth, they convey to me the Salam of my Ummah.” [Sunan Al-Nasā’ī]

The Prophet ﷺ actually replies to your Ṣalawāt. Abū Hurayrah ؓ narrated that the Messenger of Allah ﷺ said: “There is no one who sends salām upon me, but Allah will restore to me my soul so that I may return his salām.” [Abu Dawud]

I have met people in my life who recite a minimum of 30,000 Ṣalawāt a day. In addition to that, Allah Ta‘ālā has blessed such people with almost daily visions and dreams of the Prophet ﷺ. If a person is immersed in

30,000 Ṣalawāt a day, imagine how close they must be to the Prophet ﷺ.

Just as Allah Ta'ālā has created angels specifically to convey the salām and ṣalāt of the ummah to the Prophet ﷺ, it is as though Allah Ta'ālā has created such people solely to recite Ṣalawāt on the Prophet ﷺ.

We all should aim to recite a minimum of 10,000 Ṣalawāt daily. To make this a reality, keep your tongue moving whilst walking, moving, sitting, and reclining in Ṣalawāt. Split the day up into targets, whereby you recite 3,000 by 12pm, another 3,000 by 4pm, and 4,000 by 10pm. The beauty of Ṣalawāt, such as *Ṣalallāhu 'alayhi wasallam*, is that nobody will even notice your tongue move as you recite.

The beauty of reciting Ṣalawāt is that the name of Allah is mentioned therein too, and as such, 10,000 Ṣalawāt is 10,000 remembrances of the beautiful name of Allah. 10,000 Ṣalawāt also means you will be receiving Salam from the Prophet ﷺ 10,000 times a day! To add to all of that, if angels are coming and taking your Ṣalawāt to the Prophet ﷺ, 10,000 Ṣalawāt will bless you with 10,000 visits from the angels of Allah daily! And finally, something unimaginable, with 10,000

*Ṣalawāt*, you will be showered with 100,000 blessings from Allah *Ta'ālā* daily. What more can we aspire for!

At this point, I cannot help but recall my beloved teacher *Muṭī* Ebrahim Desai , who was everything for us; his departure has left a huge void in our hearts, as we miss him daily and dearly. Like the great '*Ulamā*' of this *ummah*, he also wrote part of his commentary on the *Qaṣīdah Burdah* in *al-Masjid al-Nabawī*. May Allah elevate his status and make this *Ṣalawāt* compilation a means of *ṣadaqah jāriyah* for him.

My heart's wish is that this small gift pleases our beloved Prophet  when presented to him. That is all I truly want; that he is pleased by this.

He did so much for us, continues to do so much in the life of the *barzakh*, and will do so much for us on the Day of Judgement.

We can never fulfil our obligations towards him or repay him for all those nights his blessed and beloved feet would swell crying for us in night prayer.

I ask Almighty Allah to make this a means of my salvation in the *Ākhirah*, a means of me being with the

*Al-ṣalawāt Al-Shamā'iliyyah*

Prophet ﷺ on the Day of Judgment and for eternity in the Highest Gardens of Paradise.

May Allah Ta'ālā grant me death in Al-Madīnah Al-Munawwarah and a burial in *Al-Baqī'*, *Amīn*.

## FOREWORD

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ نَحْمَدُهُ وَنُصَلِّي عَلَى رَسُولِهِ الْكَرِيمِ. أَمَّا بَعْدُ:

*In the name of Allah, the Most Gracious, the Most Merciful. We praise Him and send blessings upon His noble Messenger. As for what follows:*

Allah Ta‘ālā mentions in the Glorious Qur’an:

*“We have raised your mention and remembrance.”*

[*Qur’ān 94:4*]

We continuously see the promise of Allah Ta‘ālā above manifesting in front of our eyes. For over 1400 years, people from across the world and all walks of life have written about our beloved Prophet ﷺ, recited millions of *Ṣalawāt*, practiced on his *sunnah*, and this is only increasing each year.

In fact, the *adhān* is called out from East to West five times a day, raising the name of our beloved Prophet ﷺ with the name of Allah Ta‘ālā.

Truly, Allah Ta‘ālā’s words are the truth and clearly in front of our eyes. This *Ṣalawāt* compilation is

one such manifestation, which further elevates the mention of our beloved Prophet ﷺ.

Muftī Faraz ṣāhib has *iṣlāhī ta'alluq* with me and came to present this Ṣalawāt compilation to me to review it and make *du'ā* for its acceptance. I had the opportunity to read the Ṣalawāt, and I was truly impressed by what he has composed. His unique approach, combining the recitation of Ṣalawāt with the study of the *Shamā'il*, has provided us with an unparalleled opportunity to develop a more profound understanding and love for our beloved Prophet ﷺ. This unique method not only increases our knowledge but also fosters a deeper affection for the one who has been sent as a mercy to all the worlds.

In an era where distractions are abundant, this book serves as a reminder of the importance of connecting with the life and teachings of the Prophet Muḥammad ﷺ. By reciting the Ṣalawāt and contemplating the *Shamā'il*, our hearts are drawn closer to the exemplary character of the Messenger of Allah ﷺ, instilling in us an unwavering love and reverence.

I wholeheartedly encourage all to recite and benefit from this invaluable compilation. May it become a source of inspiration and guidance, awakening within us the desire to emulate the noble character of our beloved Prophet ﷺ.

I pray that Allah accepts this remarkable work from *Muftī* Faraz Adam and makes it a means of immense benefit for all those who seek to nourish their souls and strengthen their bond with *Rasūlullāh* ﷺ.

May the blessings and peace of Allah be upon him, his family, and his companions, and may we be among those who continue to send *Ṣalawāt* upon him until our last breath, *Amīn*.

## FOREWORD

Imām Al-Ālusī رحمته and others narrate the following words of Ḥassān ibn Thābit رحمته:

لَكِن مَدَحْتُ مَقَالَتِي بِمُحَمَّدٍ      مَا إِن مَدَحْتُ مُحَمَّدًا بِمَقَالَتِي

*I have not praised Muhammad with my writings,  
Rather my writings have become praiseworthy by the noble mention of  
Muhammad رحمته*

For over a thousand years many couplets, poems, reflections, and statements have been penned in praise of the best of mankind. Even an abundance of praise feels insufficient. Whatever is articulated can never truly do justice to the lofty personality of our beloved Prophet رحمته. The more that is said, the more it feels like so little has been communicated, for there is a vastness of greatness and virtue left to express.

Nevertheless, each expression flames the heart of the believers in yearning, admiration, and love for the Prophet رحمته.

Muftī Faraz Adam has also added his contribution to this ocean of praise. *Māshā’Allāh*, Muftī ṣāḥīb has compiled a unique collection of Ṣalawāt and Salām through which a reader will not only gain the reward and blessings of reciting Ṣalawāt, but in addition to this, they will gain an insight into the life, characteristics, features, and disposition of the Prophet ﷺ.

If read with due respect and focus, the love of Rasūlullāh ﷺ will most definitely increase in our hearts; for the more one learns about the beloved, the more one becomes mesmerised by His ﷺ awe and beauty.

We pray it pleases the Prophet ﷺ. I pray Allah Ta’ālā accept this work by Muftī ṣāḥīb, preserve it and make it a means of the Prophet’s ﷺ intercession for us all on the day of judgement.

## FOREWORD

All praise is due to Allah, who has blessed us by making us part of the *ummah* of the Prophet ﷺ and granting us the opportunity to be connected to him. Attaining the love of Allah and the love of the Prophet ﷺ is truly a treasure, surpassing the entire world and all it contains. The most magnificent blessing is to have Allah and His Prophet ﷺ in our lives.

It is solely by the grace, privilege, and permission of Allah Almighty that a person is granted the opportunity to recite *Ṣalawāt*.

The compilations of *Ṣalawāt* are an immense source of blessings and barakah, beyond our comprehension.

Our vision and mission are to encourage every individual to recite *Ṣalawāt* in their homes and hearts, which in turn, becomes the means of attaining the love of Allah and the Prophet ﷺ.

The recitation of *Ṣalawāt* has numerous virtues and benefits, including forgiveness, elevation in status,

and the descent of Divine Mercy upon the reciter, among others.

If these are the virtues of those reciting *Ṣalawāt*, imagine the rewards and merits for those who write and compose *Ṣalawāt*! And consider the blessings for those who share this and make an effort to distribute it across the four corners of the world.

May Allah accept this blessed work and make it a means of our salvation in the Hereafter. May it also serve as a means of drawing closer to the Prophet ﷺ.

One of the most precious gifts a person can receive in this world is the attention (*tawajjuh*) of the Prophet ﷺ, which is attained through the recitation of *Ṣalawāt*.

We place our hope in Allah Almighty that through these *Ṣalawāt*, He will forgive us and shower us with His Mercy, *Amīn*.

 فِي الْمَنَامِ وَفِي الْجِنَانِ رُؤْيَيْتَهُ ، وَارزُقْنِي صُحْبَتَهُ ،  
 وَتَوَقَّفْنِي عَلَى مِلَّتِهِ ، وَاسْقِنِي مِنْ حَوْضِهِ مَشْرَبًا

رَوِيًّا، سَائِعًا هَنِيئًا ، لَا نَظْمًا بَعْدَهُ أَبَدًا ، إِنَّكَ عَلَى  
كُلِّ شَيْءٍ قَدِيرٌ .

*O Allah, I believe in our master Muhammad, though I have not seen him; please do not deprive me of seeing him in my dreams and in Paradise. Grant me his companionship, cause me to die following his path, and let me drink a satisfying drink from his basin, sweet and delightful, after which we will never be thirsty again, for indeed, You have power over all things.*

آمِينَ يَا رَبَّ الْعَالَمِينَ .

## THE CLOSING SUPPLICATIONS

اللَّهُمَّ إِنَّا آمَنَّا بِهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ وَلَمْ نَرَهُ ، فَمَتَّعْنَا اللَّهُمَّ فِي  
الدَّارَيْنِ مِرَارًا بِرُؤْيَيْتِهِ ، وَثَبَّتْ قُلُوبَنَا عَلَى مَحَبَّتِهِ ،  
وَاسْتَعْمَلْنَا عَلَى سُنَّتِهِ ، وَتَوَقَّأْنَا عَلَى مِلَّتِهِ وَاحْشُرْنَا  
فِي زُمْرَتِهِ النَّاجِيَةِ وَحِزْبِهِ الْمُفْلِحِينَ .

وَانْفَعْنَا بِمَا انْطَوَتْ عَلَيْهِ قُلُوبُنَا مِنْ مَحَبَّتِهِ صَلَّى اللَّهُ عَلَيْهِ وَسَلَّمَ يَوْمَ  
لَا يَنْفَعُ مَالٌ وَلَا بَنُونَ .

وَأوردُنَا حَوْضَهُ الْأَصْفَى ، وَاسْقِنَا بِكَأْسِهِ الْأَوْفَى ،  
 وَيَسِّرْ عَلَيْنَا زِيَارَةَ حَرَمِكَ وَحَرَمِهِ تِكْرَارًا مِنْ  
 قَبْلِ أَنْ تُمِيتَنَا ، وَأَدِمْ عَلَيْنَا الْإِقَامَةَ بِحَرَمِكَ  
 وَحَرَمِهِ ﷺ إِلَى أَنْ نَتَوَفَّى .

*O Allah, indeed, we have believed in him and have not seen him in this world, bestow upon us, O Allah, frequent dreams of him in our earthly existence and multiple encounters with him in the Hereafter. Make our hearts firm on his love, and enable us to embrace and follow his sunnah, and let us die on his path, and assemble us among his prosperous assembly and amidst his thriving followers.*

*Benefit us with what our hearts have contained of his love, O Allah, on the Day when there will be no benefit from wealth or children.*

*Grant us access to his pristine and pure pool of water and provide us a drink from his wholesome cup. Facilitate for us the visit to Your sanctuary and his sanctuary repeatedly before Your decree on our life is executed and grant us the continuous stay in Your sanctuary and his sanctuary, O Allah, until we pass away.*

اللَّهُمَّ ارْحَمْ تَضَرُّعَنَا ، وَآمِنْ خَوْفَنَا ، وَتَقَبَّلْ  
أَعْمَالَنَا ، وَأَصْلِحْ أَحْوَالَنَا ، وَاجْعَلْ بِطَاعَتِكَ  
اشْتِغَالَنَا ، وَإِلَى الْخَيْرِ مَالَنَا ، وَحَقِّقْ بِالزِّيَادَةِ آمَالَنَا ،  
وَاخْتِمِ بِالسَّعَادَةِ آجَالَنَا ، هَذَا ذُلُّنَا ظَاهِرٌ بَيْنَ  
يَدَيْكَ ، وَحَالُنَا لَا يَخْفَى عَلَيْكَ ، أَمَرْتَنَا فَتَرَكْنَا ،  
وَنَهَيْتَنَا فَارْتَكَبْنَا ، وَلَا يَسَعُنَا إِلَّا عَفْوُكَ فَاعْفُ  
عَنَّا يَا خَيْرَ مَأْمُولٍ ، وَأَكْرَمَ مَسْئُولٍ ، إِنَّكَ عَفُوٌّ  
غَفُورٌ رَعُوفٌ رَحِيمٌ ، يَا أَرْحَمَ الرَّاحِمِينَ ، وَصَلَّى اللَّهُ  
عَلَى سَيِّدِنَا مُحَمَّدٍ وَعَلَى آلِهِ وَصَحْبِهِ وَجَمِيعِ الْأَنْبِيَاءِ  
وَسَلَّمَ تَسْلِيمًا .

*O Allah, have mercy on our fervent state and supplication, grant us safety from what we fear, accept our deeds, rectify our conditions, make Your obedience our occupation, direct our future towards goodness and virtue, realise our hopes and aspirations in a far enhanced way, and conclude our lives with prosperity and success. Our humility is evident before You, and our state is not hidden from You. You commanded us, but we neglected; You forbade us, but we persistently perpetrated. We have no recourse except Your pardon, so forgive us, O Best of those who are hoped for, and Most Generous of those who are asked. Indeed, You are the Most Pardoning, Most Forgiving, Most Compassionate, Most Merciful, O Most Merciful of the merciful. And may Allah's blessings be upon our master Muhammad, his family, his companions, and all the prophets, and may peace and blessings be upon them abundantly.*

وَالْحَمْدُ لِلَّهِ رَبِّ الْعَالَمِينَ .

*And all praise is due to Allah alone, Lord of the worlds.*
